212 "THE LORD IS MY BANNER"

This original artwork was drawn from the platform during Pastor Dean Curry's message taken from Exodus 17 as part of his "iWorship" series. The Israelites were under attack from the Amalekites as Moses stood on the hill above the battle. As long as Moses held up his hands, the Israelites prevailed. Through this physical act of worship, the power of the Lord led Joshua to overcome the Amalekite army with the sword. After the battle was over, Moses built an altar and called its name "The Lord is My Banner." The Lord is our shield in time of need. This one of a kind drawing is signed and dated by the artist Jill Absten, a graduate from Life Christian Academy and by Pastor Dean, from his message on February 17, 2008.
