### What have we been up to???

#### Language Arts:

This week we finished the letter O and began the letter Q.

Because we have learned so many words and how to sound them out, encourage your child to write words or a sentence without help. It's okay if they don't have all the letters right. This helps them to become more confident in their independent writ-

ing skills.

#### Math:

This week we continued our unit on subtraction. We have been working on writing subtraction sentences this week. Practice writing some at home this weekend.

#### Science:

Our butterflies are all in their chrysalids! We are now waiting for them to emerge from

their chrysalids as butterflies. We will keep them for awhile and then let them go at Franklin Park.

We will be starting a plant unit next week.

#### Bible:

This week we talked about Zaccheus and how Jesus treated him with love and kindness even when others didn't.

I enclosed the Y verse card for next week.
